Welcome speech by Principal of KGF College of Dental Sciences, KGF. He address the gathering and he informed that in the month of Feb. 2016, we had conducted the Anti-ragging Workshop. He said no ragging in our Institution, since 1991, no ragging taken place in our Institution which also attested by members and also advised all students not to get involved in any form of ragging.

As per the DCI norms and UGC norms, on regular intervals we are conducting Anti-ragging workshops every academic year.

DCI member said, according to the rules, we should conduct the anti-ragging workshop though there is no ragging in the Institution. The students (Juniors and Seniors) must be aware that ragging is a dangerous act as per the law.

Advocate Mr. Srinivas- He advised students to be careful since it is a serious issue as many students died and attempted to suicide. The parents have send their children to study and do not give chance for such incidences. All should be like sisters and brothers. It is the duty of the institutions to give nstructions to put up notice board in the campus
